The stylish design and simple componentry make the **CELSIUS 100** the perfect kitchen utility for offices, factory canteens, sporting clubs and hospitals.

11 models are available in white or stainless steel, from 1800 watts to 2400 watts, 3600 watts and 4800 watts models are available on request, as well as dual tap models.

The **CELSIUS 100** is clean, efficient, can be serviced without removing the tap, and has electronic computerised boil dry protected element, and steam free operation built into every model.
