

gelato displays

GD0007S/Slim
Angle Top Curved Glass - 7 Basket Static

These Gelato displays offer an attractive solution for display of fine ice creams and gelato. The units can be decalced (*additional charges apply POA*)

- Curved display canopy
- Easy clean condensor design for better protection - less condensation, less rust, less humidity - even in tropical climates
- Temperature display
- Castors for easy positioning
- Corrosion resistant construction and equipped with defrost water drain

GD0007S
Angle Top Curved Glass - 7 Tub Static

GD0007F
Angle Top Curved Glass - 7 Tub Fan Assisted

This Gelato display offers an attractive solution for display of fine ice creams and gelato. The ventilated, forced air 'frost free' refrigeration system ensures a stable and constant temperature.

- Curved, tempered, glass front for optimum display
- Heated glass prevents condensation
- High output product lighting
- Stainless steel 5 litre ice cream tubs
- Easy to mount and dismount the ice cream boxes
- Castors for easy positioning
- Corrosion resistant construction
