FOOD STEAMER

The **CROWN STEAMER** has twice the steaming time as others, with double the volume of water to last longer.

Perfect for steaming dim sims, vegetables, hot dogs, chickens or fish.

This unit is ideal for use in take away food shops, canteens, nursing home kitchens and restaurants.

The basket is constructed from a close mesh stainless steel to enable small vegetables such as peas to be steamed without falling through. The element is boil dry protected for safety.
