CROWN INDUSTRIES

These elegant and sturdy stainless steel hot water urns were designed to compliment the stylish Crown Coffee Makers.

This urn would be an excellent inclusion to any buffet to supply hot water for tea making.

Available in three models, 38, 70 and 115 cups, all with the following features

- * Two way dripless tap
- * Water level sight tube
- * Electronic element
- * Tap height accommodates cup or mug
- * Heat resistant lid knob and carry handles
- * Highly polished stainless steel construction
